Dear St Emilie’s Families,

Please find a detailed outline of the main things that families need to be aware of throughout the term. If there is an unexpected or unavoidable change to any time or date, this will be reflected in this online document and on the Google Calendar – it is therefore recommended that you refer to these two places on the website regularly rather than print them off. Please refer to the website every day or so as this is where you will find accurate and up-to-date information.

All the best and kind regards
Tania, Anne and Stuart
St Emilie’s School Leadership Team
