Place Value Card Wars
This is a game for 2 people and you will need a deck of cards.

Split the deck of cards into 2 piles, removing the picture cards and aces. Each player takes a pile of cards and places them face down. Both players turn 2 cards over, making the biggest number they can with their 2 cards.

For example if a player turned over the cards 5 and 7. The biggest number they could make is 75.

The player who makes the biggest number keeps the cards. The player with the most cards at the end of the game is the winner!
