Perceptual Motor Programme
This term, we will continue PMP (Perceptual Motor Program).

PMP aims to develop a child’s perceptions and understandings through movement and motor experiences. It is vitally important in assisting the children to develop their gross and fine motor skills.

We need two parent volunteers to assist with PMP each Friday morning.

Come along and join in the fun!

Parent Help Rosters
Parents we hope you can volunteer your time this term and put your name on the classroom rosters displayed on the whiteboard.

It is a great opportunity to interact with the children in the classroom environment and support their learning.

Remember Thursday is LIBRARY Day - don't forget library bags.
MATHEMATICS LEARNING

This term we will engage in Mathematics rotations.

We are building our knowledge of recognising, counting, sequencing and writing numbers to 20 and beyond, Addition, 2D and 3D shapes, Patterns in our Environment and Measurement activities.

LITERACY LEARNING

In Literacy we will be looking at reading and learning strategies. We will be engaging in Literacy rotations on Wednesdays, Thursdays and Fridays and developing our skills in Letters and Sounds, Spelling, Reading, Writing and Handwriting during our Literacy Time. In

**Literacy we will be;**
- Sharing feelings and thoughts about the events and characters in text.
- Produce some lower case and upper case letters using learned letter formations.

RELIGIOUS EDUCATION

Our units this term are

*I can talk to God*

In this unit we identify different ways we can communicate with those that we love.

*Thanking God for our feelings*

In this unit we explore the different ways we can express our feelings. We learn different ways we can show our feelings in loving ways.

*Celebrate*

We look at different reasons we celebrate. We look at our favourite celebrations and what made them our favourite celebrations.
