### INTEGRATED STUDIES - OPTIONAL

**SCIENCE STEM TASK**

**Robots in your home**

Take a look at Mrs Cogger’s Weebly website to learn about ‘Robots in your home’. Here is the link to the website [http://thescienceworkshop.weebly.com](http://thescienceworkshop.weebly.com).

Use the drop down menu and locate the tab called National Science Week 2016. Scroll down and you will see a title ‘Robots for the home’.

Take a look at some of the information. Now explore and investigate your own home.

Do you own any robots? How many? What are they?

Write a list or do some drawings or take some photos of your household robots. Be prepared to share your findings with the class.

What will you do this fortnight from your ‘100 Things Every Kid Should Do Before They Finish Primary School’ challenge grid?

I ticked off number: ___________
