Dear Pre-Primary Blue and Gold Mums, Dads, children and Staff

After a lovely catch up visit with the Lombardo family in their family home, Trish and Tony expressed a deep desire to be able to say ‘thankyou’ to you all, for your very special and heartfelt prayers and messages of love, and your practical support over the last number of extremely difficult months.

You are therefore invited and warmly welcomed by Tony and Trish, to an informal Sausage Sizzle family gathering on Tuesday, 20th September (the last Tuesday of the term) to the PP playground area at 2.45pm-ish. You and your children are invited to come along to say ‘hi’ and to share a sausage and some light refreshments with this beautiful family and with one another. If you have older siblings, they are of course welcome also. Trish and Tony will be there for about an hour to cook sausages and to catch up with you all. We have offered to cook, but they insist that this is a gift they wish to give from them to you! A very thoughtful thing to do and a special way for us all to just ‘be’ together.

While some staff will be in attendance, it would be really lovely and appreciated if they were able to relax and enjoy the afternoon also, so you are asked to please carefully supervise your children during this time and ensure that older children bring something to do and help out where needed. Thank you very much!

Please complete and send home this reply slip by THURSDAY 15th Sep so that we can pass the information on to the Lombardo family. Thanks everyone and looking forward to seeing you there!

Warm regards,

Tania Thuijs         Simone Hilton  
Principal                PPB Teacher
