'Oh No!' _____ Play a game of chance!

Remove the picture cards from a deck of cards. Place the pile of cards (ace-10) face down and turn over the top card- this becomes the 'Oh No!' card.

Players take turns drawing a card from the pile. They can choose to stop at any time and add up the total sum of their cards to make their score.

If a player draws the 'Oh No' card, all players who had not yet stopped receive zero points for that round.

At the end of each round, all cards are reshuffled and a new 'Oh No' card is drawn.

The first player to reach a score of 100 is the winner!
