

# NEIGHBOURHOOD WATCH

## GOSNELLS DISTRICT

Shop 68 Maddington Shopping Centre, Attfield Street, Maddington WA 6109

Phone: (08) 9493 3311

Email: gosnells\_nhw@optusnet.com.au

## Bicycles, scooters, skateboards will be engraved for FREE

Engraving your bicycles, scooters and skateboards with a family member's driver's licence is a way for police to **identify** your belongings if retrieved after they have been stolen. It is also a **deterrent** to those who want to steal it, if they know that it is engraved and traceable.

Gosnells District Neighbourhood Watch volunteers are coming to:

**St Emilie's Primary School  
Tuesday February 21, 2017  
9:00am**

**ON THE DAY** bring in the items that you require to be engraved along with the **signed authority** below and the **driver's licence number** you would like to have engraved on the property. **NO FORM NO ENGRAVING.**

It is important to note that the number provided is a **driver's licence** number and **not** a vehicle registration number or telephone number; and the person supplying it must be aware that they will be the one police will contact if the item is ever stolen and recovered.

*Please print clearly and sign the form below and give it to the student to take to school with the item/s for engraving on the day*

I give permission for Gosnells District Neighbourhood Watch (GDNHW) to engrave my belongings with the driver's licence number supplied below and understand that although all care will be taken, GDNHW take no responsibility for any damage that may be caused as a result of the engraving process.

**WA DRIVER'S LICENCE NUMBER**
