## Week 3, Term 1 2017

ST. EMILIE'S  
CATHOLIC PRIMARY SCHOOL

### Children with Medic Alerts

If you have a child/ren with **anaphylaxis, allergies, asthma, a medical condition or who requires medication**, please ensure that you have provided the Front Office with the appropriate paperwork. **This paperwork needs to be updated each year, even if there are no changes.** If you are unsure if you have provided the Office with new forms, please visit the Admin staff and we will be happy to help. Additionally, **it is a parents' responsibility to ensure all EpiPens, asthma puffers and medication have not passed their use-by-date.** We would encourage all parents to pop by the Office to check the date on their child's medication if applicable. Thank you for your cooperation.

### School Photos forms to be sent home on Monday

School photos forms will be sent home with each child on Monday. These photos can be ordered either online or by completing and returning the form to the Front Office. If you would like a Family Photo of your children, please collect a Family Photo form from the Front Office. Keep an eye on the website as a new post will go up on Monday with further information regarding School Photos.

### Library bags for Kindy children

A friendly reminder to all **Kindy parents** that Library bags for Kindy students must be purchased from the Office. Once purchased, these will be sent to the Library to be coded and will then be sent home with the students later in the Term. If you have not yet purchased a Library bag for your Kindy child, please come to the Front Office (or call us to pay over the phone) at your earliest convenience so that Mrs Curulli can get started on coding each child's bag. Library bags are \$20.00 each. Thank you.
