Squeeze

Using three dice, roll each one and make a 3 digit number. Write the number down at the top of a page in your PP book. Roll the dice again and make a second 3 digit number that is smaller than your first number. Write this number down at the bottom of your page. Once you have these two numbers, continue to roll the dice to make numbers that 'squeeze' in between your biggest and smallest number. Write these down on your page in the correct order from biggest to smallest.

Tick when completed _____

TEACHER SET TASK: INQUIRY

Talk to your family about how you express your emotions when you are sad, happy, angry and scared. Ask them:

1. Is there is a better way you might be able to express your emotions?
2. Do other family members express their emotions in a different way to you? How?
