P & F News

Class Parent Representative opportunity:

Do you enjoy organising social events? Would you like to help parents of your child's class to meet each other? Well here is your chance! I have been a Class Rep for both of my children's classes for the past few years and love it!

I'm putting out the call for Class Reps for 2017. A Class Rep's role is to organise opportunities for families to interact outside of school & get to know one another. For example, in the past I have organised events for the whole family & also just for parents. There is usually one Rep per class or the role can be job-shared between two. As a Class Rep, you will be given access to your class' Facebook page so you can advertise your events & pass on any other school related information you may think is relevant to other parents. If you have any questions before volunteering for the role, please do not hesitate to email me at sherrv@tpg.com.au.

If you would like to volunteer to be Class Rep for your child's class, please email pandf@stemiliescps.wa.edu.au and state your name and the class you would like to be a Rep for.

Kind Regards,

Vicki Elloy
St Emilie's P & F Parent Rep

Project Compassion

Please try to fill up your Project Compassion boxes and return them to the Front Office by Thursday 6th April. Thank you for your generosity!
