Code like a champion!

Learn how to code your own video games and control your own robot!

OUR TERM 2 COURSE

101 Coding

- Design your own animations, video games and more!

- Use freely available software so that you continue to code at home.

- Introduction to simple, block coding that helps everyone to become an excellent coder!

- Series of lessons that direct students through a range of coding skills.

- Student-friendly explanations of why and how the code you create causes your program to work.

- Work toward designing your own game from start to finish!

- We provide the computers for your children to use.

- Focus on collaboration, teamwork and sharing.

- All lessons on site at St Emilie's

- Students are able to bring own laptops to continue work at home (will require installation of software before attending—major troubleshooting will not be supported).

Our courses run before and after school. They are weekly, 1 hour sessions that run in line with the school terms throughout the year. In order to ensure all students are given time for independent teacher assistance, our class sizes are limited to a maximum of 16 students.

St Emilie's Catholic Primary School Term 2 2017 - Weeks 5 - 10	
101 Coding (Y3-4) Monday 3:15 - 4:15pm	101 Coding (Y5-6) Tuesday 7:30 - 8:30am
Week 5 - 10 (no classes Monday Week 7)	Week 5 - 10 (no classes Tues Week 7)
$25 per session	

Our courses are run by trained classroom teachers who are dedicated to helping every student enjoy learning.

Each course focuses on educating the students on the concepts behind what they are doing.

Our lessons are fun and engaging but also encourage students to apply what they are learning to solve problems through the creation of their own unique solutions.

We use cooperative learning strategies to ensure that all students are successful and can celebrate their achievements with their peers.

We provide the computers and robotics required for students to participate in these courses - You do not need to own your own device!

We operate each course live on site and offline to ensure our courses are cyber safe!
