

# welcome To Kindy Blue Term Two!

Welcome back to all our families for a wonderful Term Two !  
We hope everyone was able to enjoy a lovely Easter break ,slowing down a little and spending happy times together!

## Term Two Programme Outline

### Science: "Is the Grass Still Green at Night?"

An introduction to scientific concepts related to day and night.

Sub themes- Living and working in day/ night time.

- Australian nocturnal animals.
- Exploring shadows.
- Why do we have a day and night time?

### Religious Education

We will use the Wonder process, Scripture, Godly play, prayer and reflection in our learning about

“Looking after God’s world -Creation”  
and “The Water Cycle- Baptism”.

“God and Me” book conversations about our experiences.

## Phonemic Development

Pre Literacy oral language:

- Breaking words into 2-3 syllables
- Pre- alphabet initial sounds in words.

## Peggy Lego Pre-writing

Practising the seven gross and fine motor movements used to write letters:

Tall man, Small man, Sideways - sideways, Jack and Jill go up the hill and down the hill, Up and over the gate and down, Down and under the gate and up, Starts with a click then goes up and around.

## Maths

Number, Space and Measurement concepts through games, concrete, oral and open ended activities and learning opportunities particularly

- Spatial and positional language
- Days of the week
- Reading numerals, making and counting collections.

## Writing

We will continue with opportunities to practise writing our names and numerals, with a variety of materials and tools. We hope the home practise materials will be fun to use at home for further practise opportunities as well!

## Fine Motor

We hope that the Fine and Gross Motor Idea Packs for parents to use with their child at home for practise of these skills are proving useful! On arrival at Kindy in the mornings we are practising our fine motor skills at stations that will rotate over a fortnight. We will practise using different tools, using a three finger pincer grip, improving hand strength while developing our patience, perseverance and self control at the same time!

### Parent Roster

Parent roster begins this term.

Please look out for it on the notice board outside the classroom.

We have spaces for two parents per roster day, on Mondays and Wednesdays from 8.30-9.50 am. Roster finishes at this time so we can move on to mat activities without the distraction of wanting to be with our wonderful roster visitors.

We ask that you do not bring siblings along so that you can spend quality time with your Kindy child and their peers for the morning.

Please be mindful that roster time is not a suitable time for an interview about your child's progress, but a time to be with your child and their friends.

Confidentiality is expected at all times in regards to all Kindy children.

We look forward to seeing you at Kindy!
