St Emilie's Raffle

St Emilie's is hosting a raffle to raise money for teaching and learning resources for all classes across Kindy to Year 6. Thank you to those families who have already sold a whole book and returned the money to the Front Office. Families who sell a full book you into a separate draw to win a pizza oven or Hoyts movie tickets. Additional books are available from the Front Office. The more tickets you sell the more chances you have of winning!. [Please see the post on our website with more information about this fundraiser.](#)

Late Arrivals

Please be aware that classroom doors open at 8:30am. The time between 8:30am—8:40am allows children to organise themselves for the day. Learning begins promptly at 8:40am. We ask all families to encourage their children to be organised and allow enough time in the morning to get to school by the time doors open. This includes encouraging children to have their bag and uniform ready to go the night before, and going to bed at a reasonable time to ensure enough rest and a productive day the next day. Thank you for your support and cooperation in this matter.

Keynote Speaker: Maggie Dent

St John Bosco College is hosting a night with Maggie Dent titled "Real Kids in an Unreal World" on Tuesday 20th June at 7pm. Tickets are \$20.00 and this evening aims to equip parents to raise children who are happy, healthy, kind and resilient. [Please click here to view the flyer.](#) To book tickets, please visit <http://www.trybooking.com/284363>.
