Living Like Jesus - Empowered to Love

We are currently exploring the Religious Education unit, 'Empowered to Love'. One of the greatest of all yearnings is the yearning to love and be loved. This is also one of the greatest human struggles.

Over the following weeks we will be learning about one of the promises of the Holy Spirit, which is to empower Christians to love.

You could help nurture the faith of your child during this unit by;

- Identifying ways family members show love by doing what is good for each other
- Talking about how people sometimes need to show love for others in ways that may not please them (for example, insisting on sensible bedtimes)
- Sharing Gospel stories about Jesus loving others, such as Luke 2:51
- Sharing times you have felt strengthened by the Holy Spirit to love when it was a challenge to do so (for example, when family members are difficult and demanding or when you are under many other pressures)
- Sharing the loving actions you appreciate as a sign of their love for you
