St Emilie's Catholic Primary School *2018 Booklists*

Wednesday 18 October 2017

Dear Parents

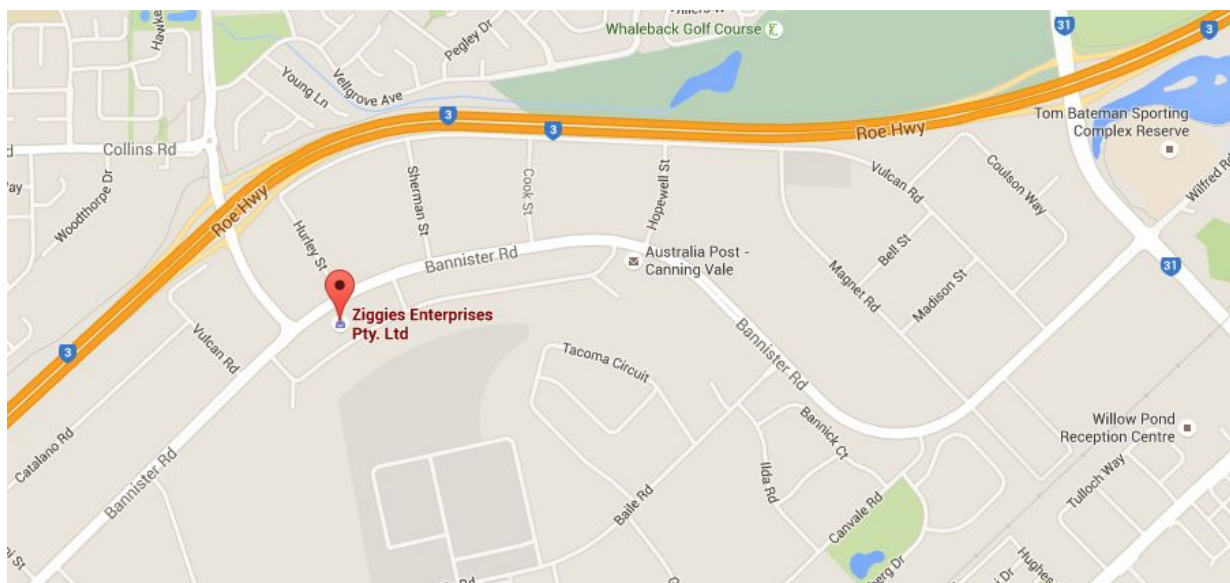

The **2018** booklists are being sent home today, the booklists outline some of the items your child will require for the 2018 school year (other requirements will be purchased by our school through the 'Amenities' Fee).

ZIGGIES Education Supplies will once again be providing a **HOME DELIVERY SERVICE** for all booklists that have been returned to our school **with payment by Thursday 2 November 2017**, or ordered and paid for via the internet by **Monday 6 November 2017**. This is a most convenient and easy method.

*In order for this process to occur smoothly and to avoid disappointment, **please ensure that you return the accompanying booklist back to school by the due date.***

If you elect to **pick up** your order **FROM THE SHOP** you can do so from **Thursday 4 January 2018**—
Unit 1/180 Bannister Rd, Canning Vale WA 6155,
0400 061 579,
www.ziggies.net.au

VERY IMPORTANT NOTES:

1. Ziggies have increased **buying power** due to the large numbers of stock ordered through our school and schools across the State. This means they are able to offer items at a **very competitive price** for parents.

2. **Items listed on the booklist have been carefully chosen by your class teacher for a specific purpose, therefore parents are asked to please purchase from Ziggies.** If you choose not to buy the item from Ziggies, you are requested to **buy the very same brand, size, and quantity of product that your teacher has outlined.**

For example, the Year 6 booklist requires:
4 x Glue Stick Artline Clear 40g @ \$2.50

If you can buy a **4 x Glue Stick Artline Clear 40g for less than \$2.50** then by all means do so however, **please do NOT** purchase a different brand, a different size, or a different number of any item on your booklist.

Thank you for your support in this very important matter as it makes a HUGE difference in the classroom.

What NOT to buy

Please note that students are not to bring the following items to school:

- Gel pens
- Fluro pens
- Glitter pens
- Novelty pens and erasers
- Battery operated sharpeners
- Bandy rulers
- Smiggle type products
- Metal or oversized pencil cases

Pencil cases need to be functional at school. Parents are advised to pay careful attention to the request for the **specific sized pencil case** listed and to please steer clear of novelty pencil cases, which are distracting and unnecessary.

Library bags

Logoed School Library bags are required from Kindy, and are available from the Uniform Shop at a cost of \$20.00.

Sport Excursion Bag

Sports Excursion Bags are required from Year 1, and are available from the Uniform Shop at a cost of \$15.00. These are a practical, lightweight bag for sports days and excursions.

Please make sure you read all the information on this letter carefully, and note all the due dates on your calendar.

Thanking you for your anticipated cooperation.

Regards,

St Emilie's Catholic Primary School Leadership Team
