

Thank you!

Dear Families,

On the holidays I got married to my wonderful husband Felipe.

We had the most magical day celebrating with our nearest and dearest in Fremantle.

I would like to thank everyone for the love and generosity that Felipe and I have been shown during this special time. We have been showered with gifts and best wishes, which has made this time even more incredible than we ever imagined.

I've had some very eager requests for some photos, so thought I would share some with you all.

Lots of love and thanks,
Mrs Chaves
