

# YEAR TWO EXCURSION TO SCITECH

Dear Parents,

As a part of our inquiry into using our creativity, we have planned an excursion to Scitech!

## Details of our visit:

**Date:** Friday 17th November

**Time:** Leaving school at **8:40am** and arriving back at approximately **2:15pm**

**Please arrive early at school on this day (by 8:20am) so we are all on the bus by 8:40am**

## What do the students need to bring?

\*A small zip-lock bag with their recess / snack

\*Another zip-lock bag with their lunch

\*A drink bottle

Please have your child's name clearly labelled on each zip-lock bag and their drink bottle. These items will be kept in large tubs and given out at recess / lunch time. The students will not be taking their own backpacks to the excursion.

## What do the students need to wear?

Their usual Friday school uniform (sports top with yellow stripe and sports shorts)

Our excursion will include the following...

**The Planetarium:** We will be watching an exciting show that teaches us how the seasons work and why regions of the planet Earth experience different seasonal conditions.

**The Science Theatre - Things That Glow:** An interactive science show that encourages curiosity and explores the wonders of chemical reactions, UV and laser light!

**Rio Tinto Innovation Central:** An innovative space for visitors to Think, Make, Try and Refine their ideas! We will be able to test how objects fly, see 3D printers in action, build an earthquake proof tower, control a robot and compete against our friends!

We will also have time some free time to explore the other exhibitions that Scitech has to offer!

Please complete and return the permission slip on the following page by **Friday 3rd November**. Parent helper names will also be drawn on this day!

Looking forward to a fun and memorable learning experience!

Kind regards,

Mrs Lauren White and Miss Candice Agustsson
