

# Do you want to know more about how to help your child read and write?

**Boost provides information to parents of children in Kindergarten, Pre-Primary and Year 1 about how literacy skills develop**

**It looks at:**

- the sounds in words
- the alphabet
- putting sounds and letters together
- how to be a good reader and speller

A two-part workshop will be held at Armadale Community Family Centre on Tuesday 16th and Tuesday 23rd of October, 2018 from 9am to 12pm. It is important that parents attend both sessions. A crèche is available and morning tea is provided.

All parents participating in the sessions will receive a 'Literacy Pack' containing information booklets, a DVD, games, reading captions and other resources (over \$90 in value!) to support what is covered in the workshop.

The Boost program is an initiative of DSF Literacy Services and is generously funded by ANZ
