

LETTER REGARDING TARANDETTI FUNERAL NEXT WEEK AND CALL FOR PARENT HELP PLEASE

7th February 2019

Dear Parents,

Please be advised that the funeral of one of our very special Year 6 parents, **Mrs Gloria Tarandetti**, is to be held here at the St Emilie's Parish Church, on **Monday 11th February at 10.00am**. A **Rosary** will be held the night before, on **Sunday the 10th February**, at 7.30pm in the St Emilie's Church.

Carpark bays

This will be a large funeral, as Gloria had many friendships through her involvement with the local equestrian community. This will mean that parking spaces will be at a premium. Parents are asked to please try to vacate the school parking area as soon as possible on Monday morning to free up as many bays as possible for friends and family.

Food for after the funeral

While the family is hiring staff to serve and cook some food, they are anticipating a very large crowd after the funeral, which will be held at the family home and property. It would be very much appreciated if parents who are able to, dropped in some **finger food** (eg small quiche, sausage rolls, party pies, arancini balls, sweet slices and biscuits, sushi, spring rolls, muffins, sandwiches etc) **on Monday morning** and a family member will collect these straight after the funeral. If any of this food is surplus to what they need on the day, then it would be great if it could be frozen for another meal. Please pack your food donation in takeaway containers, not containers that need to be returned to you.

Meals Roster

We will be seeking families to volunteer to provide meals for this family in coming weeks. Please refer to the Weekly Reminders for more information shortly.

Thank you in advance for your pastoral support of this beautiful family at this very, very sad and difficult time.

Kindest regards

Tania Thuijs
Principal
