**TEACHER SET TASK:**  
**MATHEMATICS**

Log onto Mathletics and complete any tasks allocated to you by your teacher.  
<http://www.mathletics.com.au>

Practice writing Expanded Form for the following numbers:  
**14, 19, 28, 32, 45, 59**

Here is an example of Expanded Form  
 $20 + 5 = 25$

Mathematics Challenge  
Can you skip count by 2's, 5's and 10's confidently without any mistakes? Try and go beyond 100 or even 200.  
Try and write these down in your Homework Book or outside on the bricks with coloured chalk.

Tick when completed \_\_\_\_\_

**Year 2 Stem Challenge**

Conduct your own investigation about Push and Pull forces and use the worksheet to record your findings.  
We know that pushes and pulls can make things move.  
We have found pushes and pull on land, in water and in the air.

Investigate two places at home and draw and write about any pushes or pulls that you find there.

Use the worksheet to record your findings. Bring your completed work to Science to share with the class.

## Beautiful World, Beautiful Me

We are currently exploring the Religious Education unit, 'Beautiful World, Beautiful Me'.

You could support your child's learning during this unit by...

- Sharing with them your experiences of the beauty and variety of creation.
- Wondering with them about God, who created the beauty and variety of creation.
- Creating a family prayer focus using elements from creation (photographs of nature, flowers, rocks, twigs joined for to form a cross etc.).
- Sharing stories of Jesus appreciating the beauty in creation (example Matthew 6:26,28)
- Sharing your memories of your child's Baptism, or the Baptism of a relative/ family friend.
