Federal Election: Saturday 18th May Sausage Sizzle and Cake Stall

As you may know, the **Federal Election** is to be held on **Saturday 18th May (Week 3)**. Please follow the [link](#) to our website post regarding the election

The St Emilie's **School Hall** is being used as a **voting venue** and the P&F would like to run a **Sausage Sizzle and Cake Stall** to take advantage of the crowd of people that will be there to vote. To be able to raise some money from people outside our community is such a great opportunity, but of course we **NEED YOUR HELP** to get this going.

We are therefore currently **seeking parent volunteers** who would be happy to come along and help us on a roster to either cook snags, sell a sausage sizzle or a cake and a cuppa. Essentially you would be placed on a one hour time slot between 7am and 6pm.

We are also needing **families to bake some homemade cupcakes or slices or bickies** to sell on the day. If you can help us please email Rachel, our P&F President as soon as you can at: pandf@stemiliescps.wa.edu.au.

Head Lice: Clare the School Nurse

Head lice are tiny insect parasites that live on your head and feed on your scalp. Head lice are spread by head-to-head contact with another person who has head lice. This kind of contact includes doing group work, playing, or hugging.

Tips for preventing head lice

- **Check your child's hair regularly** for head lice and eggs ('nits'). Use a metal fine tooth 'nit' comb and plenty of hair conditioner applied to the dry hair, to make the task easier and more effective. To help children sit still for this, offer distracting activities, e.g. play a favourite video, provide games, iPad apps, offer a head massage.
- **Tie long hair back.** Braid long hair and/or put it up if possible.
- **Consider applying hair gel or mousse.** These do not prevent or repel lice but may help to keep stray hair strands from contact with other heads.
- **Avoid sharing combs or brushes.**
- **Remind your child to avoid head-to-head contact** with other children, e.g. when working at the computer with others, or when playing, or hugging.

If your child has head lice please notify the teacher. For more information, visit:
