

日本語

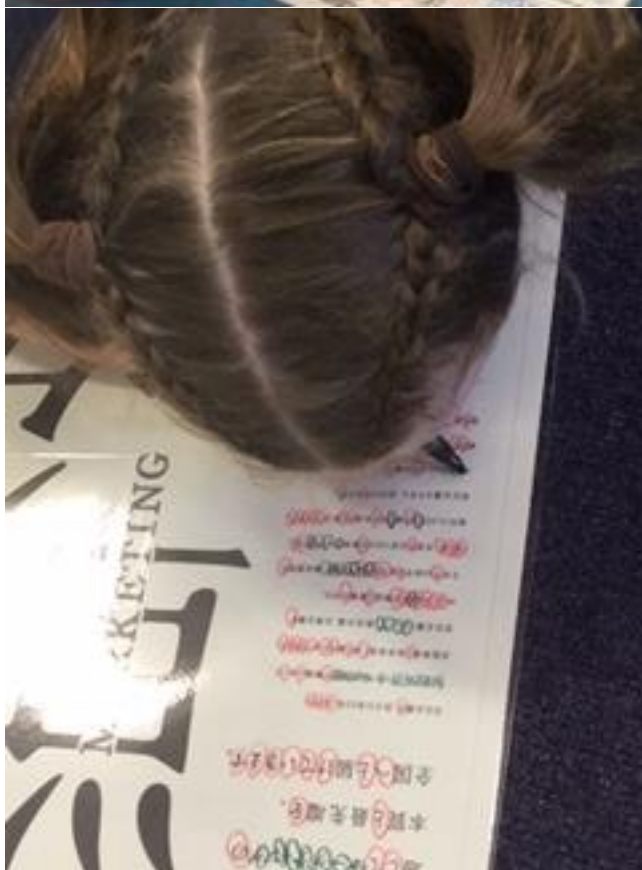

Our Learning in Japanese!

It's so wonderful to see all our students back at school and learning together again!

Below are some learning snapshots in our Japanese lessons to date... We continue to practice our Hiragana and Katakana writing and reading skills, with our apps, writing books and games...

Here are our year 6 students looking at Japanese magazines...our learning in the upper grades enables us to identify and separate Hiragana, katakana and Kanji characters.. all 3 make up the written alphabets in Japanese.

Our junior grades are picking up where we left off on Seesaw and practicing new vocabulary words for school “Gakko” and weather “tenki”.
