Pick up your child from their classroom at 6.15pm sharp!

Parents

- Parents of **older students** are asked to please park on a side street outside of the school and walk into the school with your child at the designated drop off time, to relieve congestion in the carpark.
- All parents are to please use **the centre carpark walkway** - leaving the drive-through walkway clear for classes to walk to and from the disco with staff and parent helpers.
- Parents (other than designated helpers) **are not permitted in or near the school hall** this year due to social distancing requirements.
- All parents are to please be mindful of COVID **restrictions** at this event - maintaining **social distancing** and **good hand hygiene**. If you are unwell, please do not come on to school grounds.
- As there is not a Wine and Nibbles Night in the hub for parents this year, you are asked to please leave the school grounds as promptly after drop off as you can. Thank you for your cooperation and understanding.

Things ARE different and things are not as we would ideally like them. All we can do is try to model a positive mindset and think along the lines of, *'Despite the times we are living in, It's great that our kids have a chance to have some fun! It's a bit of an effort, and it's a bit inconvenient having to go to and from school, but I understand why and I appreciate the school's efforts.'*

Cooperation and a whole school effort to **support your staff and the P&F** are important at times like these.

Years 1- 6

On Thursday the 13th August the P&F will also be selling an assortment of other fluoro novelties, ranging in price from \$1.00 - \$5.00 during recess and lunch. This is an offer and not compulsory. If you would like your child to purchase one or more of these items (up to \$10.00), please send money with them on the 13th August, ensuring it is in a wallet or purse, stored in a secure part of their school bag.
