11. Year 3 Girls 100m	22. Year 6 Mixed Star Relay	

2020 Years 3 to 6 - House Carnival Day

Thursday 17th September *Please Read Carefully*

What children are to WEAR and BRING:

- St Emilie's **House Shirt (Gannon, MacKillop, Mazenod or De Vialar) & St Emilie's sport shorts.**
- **School hat** must be worn.
- **Sport shoes** for running.
- The **ONLY sport shoes with sprigs allowed on this track**, are **CHRISTMAS TREE SPRIGS. This is a requirement of the venue.** If your child does not have Christmas sprigged shoes, please do not go out and buy any! Note: children **must change out of their sprig shoes** after running for safety reasons.
- No zinc, body spray, coloured hair spray or streamers please.
- Teddy/other mascots are fine (but remember it is another thing that needs to be looked after so names on things please!)
- **If your child is an asthmatic** – please make sure they have their **own puffer** (and spacer if needed).
- Please remember that **students need to have brought everything** that they will need for the day and have it in their labelled sport bags, with them in their bays including:
 - **Food** – not too much; small healthy snacks that can be eaten at various times during the day. (Lollies are **not encouraged** at all – **please keep it healthy!**)
 - **Water** – extra water will be provided for children to fill up their water containers if needed (**No sport energy drinks/ soft drinks** are to be sent).

TRANSPORT

- The school has ordered buses for the number of children who have indicated they will be using this transport **to and from the venue.**
- Please do not arrive with your children at the venue before 9am. All children need to sit with their parents until the rest of the school arrives.

LUNCHES

- There **won't be any set morning tea break** so that we can move through events smoothly however as the weather is hopefully going to be fine, **we do plan on having a 15 minute lunch break** just before the team events. All children in Years 3 to 6 will have the opportunity to purchase a Subway Lunch for the day through School Lunch Online at www.schoollunchonline.com.au.
- P&F volunteers will **deliver subway lunches** to the bays in Houses at approximately 12pm.
- There will be a **Coffee Van** available for parents to purchase coffee and food on the day. To facilitate the smooth running of the day, this service is only to be used for **parents and younger non school age siblings only** (not for children in Years 3 to 6) **It is expected that parents will be patient and respectful when using this service.**

COVID RESTRICTIONS

- Parents are expected to observe the State Government Phase 4 COVID guidelines including physical distancing, good hygiene and the 2 square metre rule.

OTHER IMPORTANT MESSAGES FOR PARENTS

- Please note it is not acceptable to bring school aged siblings to the carnival (Kindy Blue to Year 2) - they are required to attend school for the day.
- Please **stay in the spectator area** and do not wander over (or encourage your children to wander over to you). This is very important. You and your children can talk about the excitement of the day after the carnival. Please make sure that **you have said what you need to say and given what you need to give** prior to the start of the day. This request is something we need and expect all parents to respect, thank you.
- **Do not** approach the scorers table at any time during the carnival.
- **The judge's decision is final.** No recording of races is permitted near the finish line.
- Be a good role model to others. Please cheer and model the spirit of the day. Keep your talk positive and encouraging about children, staff, parents and our school. This is how we grow a respectful and friendly community!
- The area for spectators has been separated from the pathway for children who need to visit the toilets. Children will be sent in pairs.
- No child will be permitted to go home until **after all presentations**. After presentations children will be asked to gather in their **class groups**.
- Parents must get their child **marked off by their class teacher** before taking them home.
- Teachers will gather any remaining children and return with them by bus.
- The events on the program will take place as listed.
- Please place all your rubbish in the bins / bags provided. We need to leave the centre neat and tidy. Any help with cleaning up at this time would be wonderful.
- If you have a few minutes before you leave we would be very grateful for **any help packing up** the marquees and equipment – nothing happens by magic – staff would be very appreciative!

The Carnival should be a great day.

We emphasise active participation, having a go, doing your best and being a good sport
