Week 8 Term 3 2020

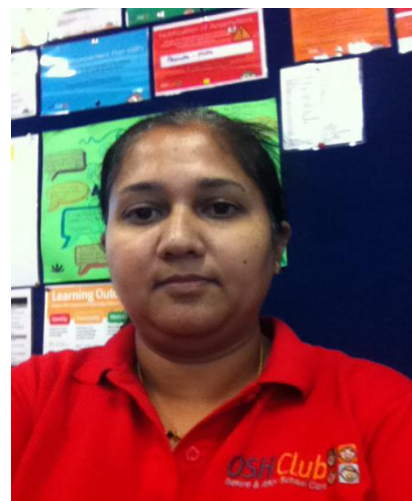

Staff profiles...

Karin - coordinator
Favourite activities;
crafts, spoons card game,
yoga and group games.

Kieran - educator
Sports and outside games,
cooking

Neelam - educator
Sports and outside games

OSHCLUB PHILOSOPHY

At St Emilie's OSHClub, we provide a safe and secure environment for children to have fun, make friends and learn in, through a variety of activities and spontaneous play.

WHAT'S BEEN HAPPENING?

Hello and I hope all the fathers had a fantastic Father's Day on Sunday. We have recently, re vamped our room to include a new more open layout, new rugs and a new mud kitchen area, which children have loved. We look forward to creating a new nature area and re vamping the notice boards shortly.

Following National Science week in Week 5, we have implemented STEM club, which Kieran runs on a weekly basis. This has been very popular with children of all ages and so far, they have done the volcano experiment, paper planes and bubble making.

SUSTAINABILITY GOALS

This term we maintained our worm farm and herb garden which we can soon harvest, had nature play and created a cool experiment. We put our old dried-up markers into water and a week later used them as water paint. The children loved this activity and it is a great way to reuse our old markers.

WANTED any cool nature items such as shells, leaves, pinecones or rocks would be greatly appreciated to add to our nature play area.

COMMUNITY INVOLVEMENT

This term the older girls ran an amazing activity with the children to make bookmarks, and after speaking with Mrs Curruli made extra shelf markers to be donated to the school library. It was fantastic to see the older girls take leadership of an activity and think about their community.

Currently, we are also doing a food drive for foodbank. If you can donate any non-perishable items this term, that would be greatly appreciated.

DATES TO REMEMBER...

- 11th Sept - House fields day
- 16th Sept - Open classroom
- 17 Sept - Athletics carnival
- 25th Sept – Last day of term

Quotes

“I like drawing at the craft table” - N.L
