P&F TEAM - NOMINATION 2021

Dear Families,

As you will be aware, the Parents and Friends (P&F) Team is a small group of dedicated individuals who work closely with the Leadership Team to create community gatherings, fundraising initiatives and parent education opportunities for the whole school community. Some of the existing P&F members have indicated that they are prepared to stay on in their nominated roles, which is fantastic news for our community! If you would like to get more involved with the P&F team, then please consider completing the form below and returning it to the Office by **9am this Friday 20th November 2020.**
