

LETTER FROM THE PRINCIPAL REGARDING COVID UPDATE

Monday 3rd May 2021

Good afternoon everyone,

As you may be aware, at his press conference this morning **Premier Mark McGowan** advised that there had been no new cases of community transmission of COVID-19 in Perth overnight. There have however been **many new exposure sites** added to the list. Please go to: [List of Exposure sites as of Monday 3rd May 1.00pm](#)

MASKS

As per the Premier's directions, all **parents and staff** are required to **wear masks** on our school site until further notice.

PUBLIC EXPOSURE SITES

If a person receives a negative COVID-19 result but then subsequently (soon after) develops symptoms, they should **present for testing again and isolate at home until they receive a negative result.**

COVID-19 VACCINE

From Monday 3 May, the vaccine will be available for people who are aged 50 and over. Healthy WA has information and frequently asked questions for the Western Australian community about the COVID-19 vaccination rollout. You can also contact the coronavirus information helpline on **13 268 43** for further information.

COVID TESTING

Unless you are advised by WA Health that you are a **close contact** who needs to self- quarantine for a full 14 days, **if you have been at any of the locations listed on the Department of Health website at the times specified**, you need to attend a COVID clinic for testing and isolate at home until you receive a negative result.

UNWELL CHILDREN

The directives we have been given state that children should **not attend school if unwell**. They should instead **stay at home and be tested**. In circumstances where children have **other reasons** for recurrent symptoms, **a letter from the GP** is sufficient to allow return to school without a negative test.

EVENTS THIS WEEK

The Kindy Speech and OT Parent Workshop is going ahead on Wednesday morning at 9.00am in the Learning Hub. Parents are required to wear a mask and seating will be arranged to allow for social distancing.

As we need to wear masks all this week, the **Busy Bee** has been **rescheduled** to next week, **Friday 14th May**.

The Mother's Day Morning Tea - has been cancelled. We will aim to hold a 'family breakfast' on Father's day for Mums, dads and children instead!

We will continue to keep you informed should there be any change to the above.

Thanks again for your support and cooperation

Regards and thanks, **Tania Thuijs**
