**TEACHER SET TASK:
MATHEMATICS**

Log onto Mathletics and complete any tasks under the 'Measurement' heading.
<http://www.mathletics.com.au>

Find 5 objects around your house that are bigger than a one metre ruler.

Write what the object is in your PP book.

Tick when completed _____

Science

This term the students have been learning about sustainability.
This is a Mappen inspired topic -
'Students will learn the value of reusing items to make new things as they reuse a container to make a pot for a plant'.
Each student will need an empty 1 or 2 litre empty soft drink bottle to make a grasshead planter.

Parents are asked to kindly prepare the bottle for their child. Here are the instructions. When your bottle is ready drop it off in the box in your child's classroom.
We will be doing this activity in Science in week 7.

1. Find an empty 1 or 2 litre soft drink bottle and remove the label.

2. Cut the bottle in half using a knife.

3. Turn the bottle upside down and using a drill make 4 or 5 drainage holes.

4. Using a permanent marker write your child's name on the container.

Just Like Jesus

- We are currently exploring the Religious Education unit, 'Just like Jesus'.
- You could support your child's learning during this unit by...
 - Discussing with your child examples of choices they may make each day. E.g what they wear, the food they eat etc.
 - Sharing how your choices have changed with age.
 - Sharing stories of Jesus' special love for children (Mark 10:13-16)
 - Participating with Parish Lenten and Easter activities

PHYSICAL EXERCISE

Try to choose at least 2 activities a week!

- Ride your bike
- Play a team sport
- Go for a walk or swim
- Go across the monkey bars
- Other: _____
